5.2. Voting Rights.

The Association shall have two classes of voting memberships:

5.2.1 Class A Members. The "Class A Members" shall be all Owners of Lots, with the exception of the Declarant for so long as Declarant is the Class B Member. Until the Class B Member Termination Date (defined below), the Class A Members shall not be entitled to vote upon any matter. Upon the Class B Member Termination Date, Class A Members shall be entitled to one (1) vote (fractional votes are not allowed) for each Lot owned by each such Class A Member. When more than one (1) person holds an interest in any Lot, all such persons shall be Class A Members and the vote for such Lot shall be exercised as they among them determine, but in no event shall more than one (1) vote be cast with respect to any Lot. Upon the Class B Member Termination Date, Declarant shall become a Class A Member and shall be entitled to one (1) vote for each Lot owned by the Declarant.

5.2.2 Class B Member. The "Class B Members" shall be the Declarant, and its successor(s) in title to which successor the Declarant has specifically granted such Class B voting rights in writing; provided, that if such voting rights are not so granted, such successor shall be considered to be a Class A Member with respect to each Lot owned. The Declarant (and its successors in title to whom the Declarant has granted the Class B voting rights, as provided above) may act by and through its designated representative (hereinafter "Declarant's Delegate"). The Class B Members shall be the only voting Members of the Association entitled to one (1) vote for each Lot owned until the Class B Member Termination Date. Upon the latest to occur of the following events, the Class B membership and Class B voting rights shall be converted to Class A membership: (1) the date upon which the Declarant (and its successors in title to whom the Declarant has granted the Class B voting rights, as provided above) no longer owns any property or Lot within the Subdivision; (2) the date Declarant (and its successors in title to whom the Declarant has granted the Class B voting rights, as provided above) informs the Board in writing that it no longer wishes to exercise its rights as the Class B Member hereunder; or (3) December 31, 2039. Such date shall be the "**Class B Member Termination Date.**" **Until the Class B Member Termination Date, no Class A Member shall have any voting rights in the Association.**

ARTICLE 6

PROPERTY RIGHTS IN THE COMMON PROPERTIES

6.1. Members' Easement of Enjoyment.

The Declarant has conveyed or will convey the Common Area to the Association. Every Member shall have an easement for the use, protection, and maintenance of the Common Area. Such easements for the Common Area shall be appurtenant to and shall pass with the title to every Lot; subject, however, to the following limitations:

6.1.1 The right of the Association, acting by and through its Board, to grant easements for public utilities or for other public purposes consistent with the intended use of the Common Area. Such action shall be preceded by written notice of the action to every Class A Member not less than ten (10) nor more than ninety (90) days prior to such action.

6.1.2 The right of the Association to sell, convey or subject to a security interest any portion of the Common Area subject to such conditions as may be agreed to by the Members entitled to vote thereon. No such sale, conveyance or creation of a security interest shall be effective unless an instrument signed by Members comprising no less than two-thirds (2/3) of the total voting power of the Association, if any, has been recorded in the appropriate records of Canyon County, Idaho, agreeing to such sale, conveyance or creation of security interest. Written notice of the proposed action shall be sent to every Member not less than thirty (30) nor more than ninety (90) days prior to such vote.

6.1.3 The right of the Board of Directors of the Association to promulgate reasonable rules and regulations governing protection and maintenance of the Common Area.

6.1.4 The power to grant and convey to any third party such licenses, easements and rights-of-way in, on or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation and enjoyment of the same, and for the preservation of the health, safety, convenience and the welfare of the Owners, for the purpose of constructing, erecting, operating or maintaining the following:

6.1.4.1 Underground lines, cables, wires, conduits or other devices for the transmission of electricity or electronic signals for lighting, heating, power, telephone, television or other purposes, and the above ground lighting stanchions, meters, and other facilities associated with the provisions of lighting and services;

6.1.4.2 Public sewers, storm drains, water drains and pipes, water supply systems, sprinkling systems, heating and gas lines or pipes, and any similar public or quasi-public improvements or facilities; and

6.1.4.3 Mailboxes and sidewalk abutments around such mailboxes or any service facility, berm, fencing and landscaping abutting common areas, public and private streets or land conveyed for any public or quasi-public purpose including, without limitation, pedestrian and bicycle pathways.

ARTICLE 7

EASEMENTS

7.1. Easements of Access.

Declarant expressly reserves for the benefit of the Real Property and the Association reciprocal easements of ingress and egress for all Owners to and from their respective Lots for installation and repair of utility services, across and upon adjacent Lots and Common Area resulting from the normal use of adjoining Lots and Common Area, and for necessary maintenance and repair of any improvement thereon, including, without limitation, fencing, retaining walls, lighting facilities, mailboxes and sidewalk abutments, trees and landscaping. Such easements may be used by Declarant, and by all Owners, their guests, tenants and invitees, residing on or temporarily visiting the Real Property, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Lot or the Common Area.

7.2. Drainage and Utility Easements.

The Owners of Lots are hereby restricted and enjoined from constructing or altering any improvements upon any drainage or utility easement areas as shown on the Plat or otherwise designated in any recorded document which would interfere with or prevent the easement from being used for its intended purpose; provided, however that any Owner, Association, or the Declarant owning a Lot upon which such easement is located, shall be entitled to install and maintain landscaping on such easement areas, subject to approval by the ADRC, so long as the same would not interfere with or prevent the easement areas from being used for their intended purposes. Any damage sustained to such improvements on the easement areas as a result of legitimate use of the easement area shall be the sole and exclusive obligation of the Owner of the Lot where improvements were so damaged, or in the event the easement area where improvements were so damaged is located in a Common Area, the Association shall be responsible for the damage sustained and may impose a Special or Limited Assessment therefore.

7.3. General Landscaping.

An easement is hereby reserved to the Declarant and the Association, its contractors, employees, and agents, to enter those portions of Lots, for the purpose of installing, maintaining, replacing and restoring exterior landscaping, and natural vegetation and habitat. Such landscaping activity shall include, by way of illustration and not of limitation, the mowing of lawns, irrigation, sprinkling, tree and shrub trimming and pruning, walkway improvement, seasonal planting and such landscaping activities within the Real Property as the Association shall determine to be necessary from time to time.

7.4. Declarant's Rights Incident to Construction.

Declarant, for itself and its successors and assigns, hereby retains a right and easement of ingress and egress over, in, upon, under, and across the Real Property and the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incident to the construction of the improvements on that portion of the Real Property owned by Declarant; provided, however, that no such rights shall be exercised by Declarant in such a way as to

unreasonably interfere with the occupancy, use, enjoyment, or access to an Owner's Lot by that Owner or such Owner's family, tenants, employees, guests, or invitees.

7.5. Emergency Easement.

A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies or persons to enter upon the Real Property in the proper performance of their duties.

7.6. Maintenance Easement.

An easement is hereby reserved to Declarant, which may be granted to the Association, and any member of its Board, and their respective officers, agents, employees, and assigns, upon, across, over, in, and under the Lots and a right to make such use of the Lots as may be necessary or appropriate to make emergency repairs or to perform the duties and functions which the Association is obligated or permitted to perform pursuant to the Project Documents, including the right to enter upon any Lot for the purpose of performing maintenance to the landscaping or the exterior of improvements to such Lot as required by the Project Documents.

ARTICLE 8

COVENANT FOR ASSESSMENTS

8.1. Purpose of Assessments.

The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment, and protection of the Members and other users of the Subdivision and in particular for the preservation and maintenance of Common Area and other property designated by the Board of Directors of the Association. Such purposes shall also include but not be limited to the cost to operate, maintain, and otherwise manage or provide for the operation, maintenance and management of the Common Area, including the repair and replacement of property damaged or destroyed by casualty loss, including any signs placed at the entrances to, or otherwise in the vicinity of the Real Property. All drainage areas, waterways and similar portions of the Real Property shall be maintained in accordance with sound hydrological principles. The Association shall, at Declarant's discretion, operate and maintain all properties owned by Declarant which are designated by Declarant for temporary or permanent use by Members of the Association.

8.2. Regular Assessments.

All Owners are obligated to pay Regular Assessments to the treasurer of the Association on a schedule of payments established by the Board.

8.2.1 Purpose of Regular Assessments. The proceeds from Regular Assessments are to be used to pay for all costs and expenses incurred by the Association, including legal and attorneys' fees and other professional fees, for the conduct of its affairs, including without limitation the costs and expenses of fulfilling its duties set forth in Article IV above, and the construction, improvement, protection, maintenance, repair, management and operation of the Common Area, including all improvements located on such areas owned and/or managed and

maintained by the Association (the "Operating Expenses"), and an amount allocated to an adequate reserve fund to be used for repair, replacement, maintenance and improvement of those elements of the Common Area, or other property of the Association that must be replaced and maintained on a regular basis (the "Repair Expenses"). The Operating Expenses and the Repair Expenses, and any other expenses necessary to acquire all assets and services and to otherwise carry out the powers, duties and responsibilities of the Association, are collectively referred to herein as the "Expenses."

8.2.2 Computation of Regular Assessments. The Association shall compute the amount of its Expenses on an annual basis. The Board shall compute and levy the amount of Regular Assessments owed by its Members for the first fiscal year within six (6) months following the month in which the closing of the first sale of a Lot occurs in the Real Property for the purposes of the Association's Regular Assessment ("Initiation Date"). Thereafter, the computation of Regular Assessments by the Association shall take place not less than sixty (60) days before the beginning of each fiscal year of the Association. The computation of the Regular Assessment for the period from the Initiation Date until the beginning of the next fiscal year shall be reduced by an amount which fairly reflects the fact that such period was less than one (1) year.

8.2.2.1 Amounts paid by Owners. The Board can require, in its discretion or as provided in the Project Documents, payment of Regular Assessments to the Association in monthly, quarterly, semi-annual or annual installments. Regardless of the installment schedule adopted by the Board, the Board may bill for Assessments monthly, quarterly, semi-annually or annually, at its discretion. With respect to the Regular Assessments to be paid by any particular Owner for any given fiscal year, each Owner, except for the Declarant, shall be assessed and shall pay an amount computed by multiplying the Association's total advance estimate of Expenses by the fraction produced by dividing the Lots attributable to the Owner by the total number of Lots in the Real Property.

8.3. Special Assessments.

8.3.1 Purpose and Procedure. In the event that the Board shall determine that its respective Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses of the Association for any reason, including, without limitation, costs of construction, improvement, protection, maintenance, repair, management and operation of improvements upon the Common Area, attorney's fees and/or litigation costs, other professional fees, or for any other reason, the Board shall determine the approximate amount necessary to defray such Expenses and levy a Special Assessment against the Real Property which shall be computed in the same manner as Regular Assessments. The Board shall, in its discretion, determine the schedule under which such Special Assessment will be paid.

8.3.2 Consistent Basis of Assessment. Every Special Assessment levied by and for the Association shall be levied and paid upon the same basis as that prescribed for the levying and payment of Regular Assessments for the Association.

8.4. Limited Assessments.

Notwithstanding the above provisions with respect to Regular and Special Assessments, the Board of the Association may levy a Limited Assessment against a Member and/or such

Member's Lot as a remedy to reimburse the Association for costs incurred in bringing the Member and/or such Member's Lot into compliance with the provisions of the Project Documents, for damage caused by the Member, a Member's tenant, representative or invitee, or any member of the Member's family, to any Common Area or any other portion of the Real Property or for otherwise providing any goods or services benefiting less than all Members or such Members' Lots.

8.5. Notice and Assessment Due Date.

Except with regard to the first Assessment, thirty (30) days prior written notice of Regular and Special Assessments shall be sent to the Owner of every Lot subject thereto, and to any person in possession of such Lot by the Association. The Association shall determine if payments for all Assessments shall be due monthly, quarterly, semi-annually or annually. The Assessment installment schedule shall be the same for all Association Assessments. The due dates for installment payment of Regular Assessments and Special Assessments shall be the first day of the month unless some other due date is established by the Board. Each installment of the Regular Assessment or Special Assessment shall become delinquent if not paid within ten (10) days after the date due. There may accrue, at the Board's discretion, with each delinquent installment payment a late charge equal to ten percent (10%) of the delinquent installment. In addition, each installment payment which is delinquent for more than twenty (20) days may accrue, at the Board's discretion, interest at the rate of eighteen percent (18%) per annum calculated from the date of delinquency to and including the date full payment is received by the Association. The Association may bring an action against the delinquent Owner and may foreclose the lien against such Owner's Lot as more fully provided herein. Each Owner is personally liable for Assessments, together with all interest, costs and attorneys' fees, and no Owner may be exempt from such liability by a waiver of the use and enjoyment of the Common Area, or by lease or abandonment of such Owner's Lot.

8.6. Reserve Account.

The Association may, but is not required to, establish and fund a reserve account with a reputable banking institution or savings and loan association or title insurance company authorized to do business in the State of Idaho, which reserve account shall be dedicated to the costs of repair, replacement, maintenance and improvement of the Common Area. Any reserve account established under this Section shall be funded by separate reserve assessments against the Lots in such amount as the Owners may approve as a part of the annual Association budget. Any reserve account shall be established in the name of the Association. The Association shall be responsible for administering the account. Assessments paid into the reserve account are the property of the Association and are not refundable to sellers or Owners of Lots.

8.7. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Board of Directors may levy in any assessment year a special assessment applicable to that year only, for the purposes of defraying, in whole or in part, the costs of any unexpected or unfunded maintenance for the Common Area. This Section shall not prohibit the Board from authorizing capital expenditures for replacement, repairs or improvements from funds generated by regular assessments.

8.8. Effect of Nonpayment of Assessments; Liens; Remedies of the Association.

8.8.1 Right to Enforce. The Association has the right to collect and enforce its Assessments, including any late charges and/or interest accrued thereon pursuant to the provisions hereof. Each Owner shall be deemed to covenant and agree to pay each and every Assessment provided for in this Declaration, including any late charges and/or interest accrued thereon, and agrees to the enforcement of all Assessments in the manner herein specified. In the event an attorney or attorneys are employed for the collection of any Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, each Owner agrees to pay reasonable attorneys' fees and costs, including the costs and expenses for any lien or lien releases, in addition to any other relief or remedy obtained against such Owner. The Board or its authorized representative may enforce the obligations of the Owners to pay such Assessments by commencement and maintenance of a suit at law or in equity, or the Board may exercise the power of foreclosure and sale pursuant to this Section to enforce the liens created pursuant to this Section. A suit to recover a money judgment for an unpaid Assessment shall be maintainable without foreclosing or waiving the lien hereinafter provided.

8.8.2 Assessment Liens.

8.8.2.1 Creation. There is hereby created a claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against such Lot pursuant to this Declaration together with interest thereon at the rate of twelve percent (12%) per annum, and all costs of collection which may be paid or incurred by the Association making the Assessment in connection therewith, including without limitation, reasonable attorneys' fees and or any fee charged by a trustee for conducting a foreclosure sale pursuant to any lien that is foreclosed upon, or any fee for title report, or other fees associated with a foreclosure. All sums assessed in accordance with the provisions of this Declaration shall constitute a lien on such respective Lot upon recordation of a notice of assessment with the Canyon County Recorder. Such lien shall be prior and superior to all other liens or claims created subsequent to the recordation of the notice of assessment except for tax liens for real property taxes on any Lot and any assessment on any Lot in favor of any municipal or other governmental assessing body which, by law, would be superior thereto.

8.8.2.2 Notice of Assessment. Upon default of any Owner in the payment of any Assessments issued hereunder, upon approval of the Board, a member of the Board may cause a notice of assessment to be recorded in the office of the Canyon County Recorder. The notice shall state the amount of such assessment and other authorized charges (including the cost of recording such notice), a sufficient description of the Lot against which the same have been assessed, and the name of the record Owner thereof. Each assessment shall constitute a separate basis for a notice of assessment, but any number of assessments may be included within a single notice. Upon payment to the Association of such assessment and charges in connection therewith or other satisfaction thereof, the Board shall cause to be recorded a further notice stating the satisfaction and the release of the lien thereof. The Association may demand and receive the cost of preparing and recording such release before recording the same.

8.8.2.3 Method of Foreclosure. Such lien may be foreclosed by appropriate action in court or by sale by the Association, its attorney or other person authorized to make the

sale. Such sale shall be conducted in accordance with the provisions of the Idaho Code applicable to the exercise of powers of sale in deeds of trust or any other manner permitted by law. The Board is hereby authorized to appoint its attorney or any title company authorized to do business in Idaho as trustee for the purpose of conducting such sale or foreclosure.

8.8.2.4 Required Notice. No action may be brought to foreclose the lien created by recordation of the notice of assessment, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after a copy of such notice of assessment has been deposited in the United States mail, certified or registered, postage prepaid, to the Owner (at the address of such Owner's Lot) described in such notice of assessment, and to the person in possession of such Condominium(s) and a copy thereof is recorded by the Association in the Canyon County Recorder's Office.

8.8.2.5 Subordination to Certain Trust Deeds. The lien for the Assessments provided for herein in connection with a given Lot shall be subordinate to the lien of a first deed of trust or first mortgage given and made in good faith and for value that is of record as an encumbrance against such Lot prior to the recordation of a claim of lien for the Assessments. The sale or transfer of any Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

8.9. Exempt Property.

The following property which is subject to this Declaration shall be exempt from the assessments created herein: (a) all properties expressly dedicated to and accepted by a local public authority; and (b) all unimproved Lots owned by Declarant, and (c) any finished Lot owned by Declarant.

8.10. Set Up, Transfer Fee and Initial Regular Assessment.

Assessments shall commence as to each Lot upon the closing of the first sale of such Lot from Declarant, or as to the remaining Lots owned by Declarant, when such Lots are no longer offered for sale to the general public. At each such closing, the Owner thereof shall pay a setup fee in the amount of Two Hundred Fifty Dollars (\$250.00) and also such portion of the existing Regular Assessment, pro-rated for the remainder of the calendar year. These initial Assessments shall be paid to the Declarant to reimburse the Declarant the setup costs and the maintenance of the Common Area and related facilities and other Association costs incurred or to be incurred by the Declarant prior to the Class B Termination Date. The pro rata portion of the Regular Assessment will be paid to the Declarant for each closing that occurs prior to the Class B Termination Date and only be paid to the Association if the Association has conducted its first annual meeting, elected a Board of Directors and assumed the obligations and expenses of the Association. The Declarant shall have the exclusive use of the assessments for the purposes of discharging the duties and obligations of the Association until the Class B Termination Date. For each Lot that has been sold to a builder who subsequently conveys the Lot to a homeowner; or for each Lot that is purchased from the Declarant by a homeowner, there shall be assessed against such Lot a transfer fee in the sum of One Hundred Fifty Dollars (\$150.00), which fee shall be

utilized by the Declarant to cover any management fee incurred in connection with the management of the affairs of the Association. The Association, upon its first meeting, shall initiate Assessments in accordance with this Declaration without regard to or an accounting of the initial deposits or other Assessments previously paid to the Declarant.

ARTICLE 9

ENCROACHMENTS

If any portion of a Residence or other Structure now or hereafter constructed upon any Lot encroaches upon any part of the Common Area or upon a Lot or Lots used or designated for use by an Owner of another Lot, such Residence or other Structure shall promptly be removed by its Owner.

ARTICLE 10

DEVELOPMENT STANDARDS

10.1. Land and Building Type.

No Lot shall be used except for single family residential purposes. No Lot shall be subdivided or partitioned. No improvement shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family dwelling, with a garage, and a storage building, detached shop, or shed, if desired, as permitted by this Declaration and as approved by the ADRC. Any such storage building, detached, shop, or shed must be set back at least five (5) feet from all Lot lines, be built or placed on blocks or skid mounted, and the design, roof, colors, and construction materials must match the family dwelling, and otherwise comply with all rules, regulations, codes ordinances and laws of applicable governmental entities having jurisdiction thereof.. Before construction of any such exterior building may commence, all plans, specs, and color selections must comply with the Design Guidelines and be approved in writing by the ADRC and/or Board. This Declaration is not intended to serve as authority for the ADRC to control the interior layout or design of residential Structures except to the extent necessitated by use, size and height restrictions. The Declaration is intended to serve as authority for the ADRC or its designate to use its judgment to see that all Structures and improvements conform and harmonize as to external design, quality and type of construction, architectural character, materials, location on the Real Property, height, grade and finished ground elevation, landscaping and all aesthetic considerations as set forth in this declaration or the design guidelines promulgated by the ADRC (the "Design Guidelines"). Plans and specifications shall be submitted to the Board for approval prior to the commencement of construction or earthwork. Plan and specification approval shall not be unreasonably withheld nor conditioned with respect to the construction of a Residence on a Lot in accordance with this Declaration. However, Declarant's use of any Residence on a Lot as a sales office or model home for purposes of sales in the Subdivision shall not be subject to the regulation of the Board during all times in which Declarant owns Lots within the Subdivision.

10.2. Plat Easements.

The easements shown on the Plat shall be permanent and shall benefit and burden the Real Property as indicated on the Plat. Such easements shall run under, over, and across the Real Property as shown on the Plat, for the purposes indicated upon the Plat. The public and private utility easements shown on the Plat shall be for the purpose of erecting, installing, constructing, maintaining and operating sewers and drainage and irrigating systems, and pipe, wires, cables and conduits for lighting, heating, power, telephone and any other method of conducting and performing any public or quasi-public utility service or function beneath, upon, or above the surface of such Real Property. Within these easements, no Structure, fence, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of such utilities or facilities, or which may change the direction of flow of water through a drainage channel or facilities in the easements or which may obstruct or retard the flow of water through drainage channels in the easements. However, with prior written approval by the Board, an Owner may place removable Structures or place surface coverings such as asphalt or concrete on this easement area or install fencing, plant shrubbery in this area or otherwise landscape

this area, if the Owner agrees to remove same at Owner's expense whenever it is necessary to have access to the surface or sub-surface property within the easement for the purpose specified herein. Any utility facilities shall be maintained, repaired and replaced solely by the benefited party who placed them in the easement area except to the extent they are damaged through the fault of an Owner.

10.3. Setbacks.

No building or other structure (exclusive of fences and similar structures approved by the ADRC) shall be located on a Lot nearer to a Lot line than the distance permitted by (i) the ordinances of the City of Nampa applicable to the Real Property except as may be modified by a conditional use permit issued by the City of Nampa, (ii) the ADRC Design Guidelines or approval, or (iii) this Declaration, whichever requires the greater distance. The ADRC shall have the right to stagger setbacks of the Lot in order to create a more pleasing appearance and to minimize the negative visual appearance of a uniform building line. The front (and side, for corner Lots) lot lines may be located into the sidewalk.

10.4. Garages; Minimum Square Footage of Living Space.

Each Residence shall have an attached or detached fully enclosed garage having minimum capacity or square footage as set forth in the ADRC Design Guidelines or otherwise required by the ADRC. No carports will be allowed. The minimum square footage of living area within a Residence shall be at least 1800 square feet and must otherwise comply with the Design Guidelines as approved by the ADRC in its sole and absolute discretion. The square footage of the living area shall be based upon the finished interior living space at or above the grade of the Lot, exclusive of basement, porches, patios and garage. Any changes to home color, structure, additions, patios, porches, outbuildings or other exterior structures must comply with Design Guidelines and require the prior approval of the ADRC and/or Board. THE OWNER (OR HIS/HER BUILDER) SHOULD REVIEW THE ADRC DESIGN GUIDELINES.

10.5. Temporary Structure.

No Structure of a temporary nature, nor any trailer, shall be used at any time as a Residence, either temporary or permanent. Notwithstanding the foregoing, this Section shall not be deemed to prevent the storage, during the course of construction of a Residence on a Lot, of construction materials and equipment on said Lot as may be necessary for such construction.

10.6. Landscaping.

A landscape plan is required to be submitted to the ADRC for approval. The Owner is required to follow all guidelines set forth for landscaping by the ADRC at all times. All landscaping (including automatic sprinklers) on the front, and side, and back yards of a Lot, along with the rear fencing, must be completed upon substantial completion of construction of a Residence on the Lot, and other required landscaping of a Lot must be completed within ninety (90) days from substantial completion of a Residence. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time, but only to the extent permitted by applicable law, upon written approval of the Board. Landscaping shall also include provisions for adequate surface water drainage to prevent unnecessary discharge onto adjoining Lots. The Board and or the ADRC may, from time to time, establish specific requirements related to the types of shrubbery or plants to be located on the Lots. The Owner of each Lot must keep yards and landscaping free from garbage, debris, and junk, and must be weeded regularly. Sod is to remain watered and mowed. Dead or dying trees/bushes/flowers to be removed and replaced to keep up with minimum landscape requirements as set forth in these Declarations, the Design Guidelines or as otherwise established by the Board or the ADRC in its sole and absolute discretion.

10.7. Parking; No Unscreened Boats, Campers or Other Vehicles.

a) No inoperable motor homes, trailers, boats, campers, recreational vehicles, all-terrain vehicles, or other mobile equipment, trailers, implements, unsightly or junk vehicles may be stored anywhere on the Real Property.

b) Operable motor homes, trailers, boats, campers, recreational vehicles, all-terrain vehicles, or other mobile equipment, trailers, implements and vehicles (excluding automobiles) of any kind or nature may only be parked or stored on any Lot if such items are parked inside garages or are fully screened or enclosed from view by a concealing structure, and the ADRC has previously approved the location and screening/concealment structure for the specific item(s). In no event shall any of the foregoing items be allowed to be stored on any portion of any Lot if it is taller than twelve (12) feet or longer than thirty-five (35) feet. If a stored item is taller than the front screening/concealment structure, then the item must be set back at least two (2) feet from the screening/concealment structure for every foot it is taller than the structure.

c) No vehicle shall be parked or stored for a period in excess of seventy-two (72) consecutive hours on any street, Lot or any other portion of the Real Property, including driveways. A minimum of two off-street parking spaces for automobiles shall be provided on each Lot. The primary purpose of the garage required on each Lot is for the parking and storage of automobiles and other vehicles. The Owner shall provide sufficient garage space for all automobiles and other vehicles used by the occupants of the Lot, which vehicles shall be kept within the garage other than for temporary purposes. No commercial vehicle, trucks with a capacity in excess of one (1) ton, shall be parked or stored upon any Lot or street within the subdivision.

d) No truck, truck camper, tent, garage, barn, shack or other outbuilding or vehicle shall at any time be used as a residence or living place on any part of Real Property.

10.8. Fences, Hedges and Trees.

Any fence or hedges installed in the front yard or on side Lot lines forward of the building line with the greatest setback on the Lot or the adjoining Lot, shall not exceed four (4) feet in height. Any fence or hedge installed on the remainder of the Lot shall not exceed six (6) feet in height. All other fences, including side yard fencing, must be vinyl solid fencing or view fencing as approved by the ADRC, and shall be a maximum height of six feet. There shall be no wood or chain link fences on any Lot or Common Area. Any fence that faces a street must meet the design criteria established by the Board and/or the ADRC. No building, wall, fence, paving, landscaping or other construction of any type shall be erected or maintained by an Owner so as to trespass or encroach upon any Common Area unless specifically approved by the Board in writing.

The Owner of any Lot, including, without limitation, Declarant or any successor Declarant, shall be obligated to plant, prior to the issuance of a certificate of occupancy for any Residence constructed on a Lot, and maintain in good condition thereafter, all trees or other plantings as may be required by the City of Nampa, the Board or the ADRC. Declarant shall be responsible for such planting and maintenance with respect to all trees and plantings in, on or about the Common Area in the time and manner required by the City of Nampa from time to time. The Owner of each Lot shall provide for the maintenance of all fences, trees, plantings, and landscaping located on such Owner's Lot including, without limitation, all fences on the Lot and all trees, plantings and landscaping located between the sidewalk and the street.

10.9. Offensive Activities.

No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or a nuisance to other Owners. No Lot shall be used or maintained as a dumping ground for rubbish, garbage, or trash. All Garbage and other waste shall be kept in sanitary containers emptied weekly. All equipment for storage or disposal of such material shall be kept in a clean and sanitary condition, and comply with this Declaration and all local, state or Federal requirements.

10.10. Business and Commercial Use.

Except as otherwise provided herein, no trades, crafts, businesses, professions, commercial, or similar activities of any kind shall be conducted on any Lot, nor shall any goods, equipment, vehicles, materials, or supplies used in connection with any trade, service or business be kept or stored on any Lot, except for (i) one room offices which are not designated by exterior signs and do not create additional vehicle traffic, and (ii) any home builder or Declarant, who is constructing Residences on Lots, or storing construction materials and equipment on said Lots in the normal course of said construction and to use completed homes as sales models as provided herein.

10.11. Signs.

No sign of any kind shall be displayed to the public view on any Lot or improvement, except one professionally made of not more than four (4) square feet advertising the Lot for sale. This restriction shall not prohibit the temporary placement of political signs on any Lot by its Owner, or placement of a professionally made sign by Declarant, which complies with local applicable sign

ordinances. This restriction does not apply to signs used by Declarant, builders, realtors or agents during construction and sales of Residences.

10.12. No Further Subdivision.

No Lot may be further subdivided unless expressly approved in writing by the Board or Declarant, so long as Declarant owns a Lot in the Subdivision. Any such further subdivision shall be consistent with all applicable city, county and state laws, rules, regulations and ordinances.

10.13. Declarant's Right of Development.

Nothing contained in this Declaration shall limit the right of Declarant to grant licenses, to reserve rights-of-ways and easements for utility companies, public agencies or others, or to complete excavation, grading and construction of improvements to and on any portion of the Real Property owned by Declarant, or to alter the foregoing and its construction plans and designs, or to construct such additional improvements as Declarant deems advisable in the course of development of the Real Property. Such right shall include, but shall not be limited to, erecting, constructing and maintaining on the Real Property such structures and displays as may be reasonably necessary for the conduct of Declarant's business of completing the work and disposing of the same by sales, lease or otherwise. Declarant shall have the right at any time prior to acquisition of title to a Lot by a purchaser to grant, establish and/or reserve on that Lot additional licenses, reservations and rights-of-way to utility companies, the Association, or to others as may from time to time be reasonably necessary for the proper development and disposal of the Real Property. Declarant may use any structures owned or controlled by Declarant on the Real Property as model home complexes or real estate sales or leasing offices. Declarant need not seek or obtain Association or ADRC approval of any improvement constructed or placed by Declarant, or its affiliated entities, on any portion of the Real Property. Each Lot shall be maintained in order to prevent the creation of a nuisance or health hazard. 11.1. Purpose and Authority of ADRC.

Declarant or the Association shall appoint an architectural design review committee (the "ADRC") to review and approve all plans and specifications for Structures, and to provide for and require all improvements to be in harmony with the general plan of improvement of the Real Property in order to insure the highest possible quality of residential development. The Declarant will act as the ADRC until such time as a majority of the voting power of the Association is controlled by Members other than the Declarant. The approval of any plans and specifications submitted to the ADRC may be withheld not only because of their non-compliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also because of incompatibility with the design standards for the Subdivision. Considerations such as siting, shape, size, color, design, height, impairment of the view from other parts of the Subdivision, solar access, and other effects on the enjoyment of other parts of the Subdivision, including without limitation the Common Area, as well as any other factors which the ADRC reasonably determines to be relevant, may be taken into account by the ADRC in determining whether or not to approve any proposed Structure.

11.2. Membership:

Until the Class B Member Termination Date, the ADRC shall consist of as many persons, but not less than three and no more than five, as Declarant may from time to time appoint. Until the Class B Member Termination Date, Declarant may remove any member of the ADRC from office at any time and may appoint new or additional members at any time. The Association shall keep on file at its principal office a list of the names and addresses of the members of the ADRC. Declarant may at any time delegate to the Board of Directors of the Association the right to appoint or remove members of the ADRC. In such event, or in the event Declarant fails to appoint an ADRC, the Board of Directors shall assume responsibility for appointment and removal of members of the ADRC, or if it fails to do so, the Board of Directors shall serve as the ADRC. Declarant shall retain the right to appoint members of the ADRC until the earlier of: the date Declarant delegates this right to the Board, or Declarant is no longer the owner of any Lot. No

member of the ADRC shall receive any compensation or make any charge for his services in connection with design review and approval.

11.3. Approval of Plans by ADRC.

No Residence, building, garage, or any Structure or improvements of any kind or nature shall be commenced, erected, placed or altered on any Lot by an Owner (except the Declarant) until detailed construction plans and specifications showing the nature, shape, height, materials, colors and location of the proposed improvements shall have been submitted to and approved in writing by the ADRC. All plans and specifications must be submitted to the ADRC at least thirty (30) days prior to the start of construction unless such time period is waived by the ADRC.

11.4. Action.

Except as otherwise provided herein, at least two-thirds (2/3) of the members of the ADRC shall have the power to act on behalf of the ADRC without the necessity of meeting and without the necessity of consulting with the remaining member of the ADRC. The Owner shall also supply any additional information reasonably requested by any member of the ADRC. The ADRC may render its decision only by written instrument setting forth the action taken by the members consenting thereto.

11.5. Procedures.

In the event the ADRC fails to approve or disapprove plans and specifications within thirty (30) days after such plans and specifications have been submitted to it, approval will not be required and the related covenants shall be deemed to be complied with fully. The thirty (30) day time period for response shall be deemed complied with if the Board's notice is provided to the Owner in person or mailed within thirty (30) days as determined by the date of mailing by the ADRC. Such notice shall be delivered or mailed to the applicant at the address designated by the applicant for such purpose in his application.

11.6. Construction by Declarant.

This Article shall not govern construction of improvements or alterations by Declarant upon portions of the Real Property owned by Declarant. Declarant reserves the right to add improvements not described in this Declaration.

11.7. Non-Waiver.

Except as expressly provided for herein, the failure of the ADRC to enforce any provisions of this Declaration shall not constitute a waiver or negate the legal effect of any such requirement unless notice in writing of such failure to act is provided to the ADRC, they fail to institute measures to obtain compliance within one hundred eighty (180) days of such notice, and all other legal requirements to constitute waiver or to negate the legal effect of such requirement have occurred.

ARTICLE 12

RESERVATION OF WATER RIGHTS BY DECLARANT

Declarant owns certain Water Rights which are appurtenant to the Real Property. Upon conveyance of a Lot, Declarant shall reserve, and hereby reserves, to itself all of Declarant's right title and interest in and to any and all Water Rights appurtenant to the Real Property, and accordingly, no Owner(s) shall have any right, title, or interest in any of the Water Rights

The Declarant and all Owners shall comply with all laws, rules and regulations applicable to the development of property in Nampa, Canyon County, Idaho.

ARTICLE 14

ENFORCEMENT

14.1. Notice and Remedies for Violation.

In the event any Owner shall violate any provision of this Declaration, the Bylaws or other rules adopted by the Association, then the Association, acting through and upon affirmative vote of the majority of the Board of Directors, shall notify the Owner in writing that the violation exists and that the Owner is responsible for the violation, and may (a) notify the Owner in writing that his voting rights and his rights to use the Common Area and facilities thereon are suspended for the time that the violations remain unabated, (b) impose fines upon the Owner as such fines may be provided for in the Bylaws and rules of the Association, which fines shall become liens against the Lot in the manner set forth in Section 8.12, (c) enter the offending Lot (but not any Residence) and remove the cause of such violation, or alter, repair, or change the item which is in violation of this Declaration in such a manner as to make it conform thereto, in which case the Association may assess such Owner for 120% of the entire direct or indirect cost of the work done, which amounts shall immediately be payable to the Association, (d) bring suit or action against the Owner on behalf of the Association and other Owners to enforce the provisions of this Declaration, or (e) do any of the above in conjunction with any others.

Before the Association takes any of the actions described in (a) - (c) above, the Association shall provide Owner, by personal service or certified mail, with thirty (30) days' notice of said violation, the proposed compliance action, and the opportunity to be heard on the matter. Said notice shall state the place, date and time of the hearing, which shall not be less than five (5) days before the effective date of the action to be taken for enforcement. The hearing shall be conducted by the Board of Directors, which shall conduct the hearing in good faith and in a fair and reasonable manner, and the Board of Directors shall not reach a decision regarding appropriate compliance measures until conclusion of the meeting, which shall be based upon majority vote. If an Owner does not attend this hearing, such Owner shall be deemed to have waived his or her rights for an opportunity to be heard, and the Board of Directors shall proceed with enforcement as set forth

herein. Notwithstanding the foregoing, in the event the Owner begins resolving the violation prior to the hearing, no fine shall be imposed as long as the Owner continues to address the violation in good faith until fully resolved.

If an emergency exists and is so determined by the Board of Directors, they may proceed with the remedies specified in (c) above, but shall not assess the Owner therefore, pending the hearing or decision on the hearing. All assessed fines shall be paid immediately to the Association and deposited into the Associations' general account.

14.2. Interest, Expenses and Attorney Fees.

Any amount not paid to the Association when due in accordance with this Declaration shall bear interest from the due date until paid at the following rate per annum: From the date thereof until the first annual meeting of Members, twelve percent (12%) per annum; and thereafter at a rate per annum which the Members shall establish at each such annual meeting to be in effect until the next such annual meeting, but not higher than the maximum rate allowed by law, and if no such rate is established by the Members, then the rate shall be twelve percent (12%) per annum. In the event the Declarant, the Association, or any Owner shall bring any suit or action to enforce this Declaration, the prevailing party shall be entitled to recover all costs and expenses incurred by him in connection with such suit or action, including the cost of a foreclosure title report, expert witness fees and such amounts as the court may determine to be reasonable as costs and attorneys' fees at trial and upon any appeal thereof. In addition to being the personal obligation of the Owner, the prevailing party shall have a lien upon any Lot owned by the losing party to secure payment of such costs and expenses.

14.3. Non-exclusiveness and Accumulation of Remedies.

An election by the Association to pursue any remedy provided for violation of this Declaration shall not prevent concurrent or subsequent exercise of any remedy permitted under this Declaration. The remedies provided in this Declaration are not exclusive but shall be in addition to all other remedies, including actions for damages and suits for injunctions and specific performance, available under applicable laws.

14.4. Effect of Breach.

The breach of any of the covenants, conditions, or restrictions contained in this Declaration shall not defeat or render invalid the lien of any mortgage or deed of trust made in good faith for value as to any Lot or Lots or portions of Lots, but these covenants, conditions and restrictions shall be binding upon and effective against any such mortgagee or trustee or Owner thereof, whose title thereto is or was acquired by foreclosure, trustee's sale or otherwise.

14.5. Delay and Non-Waiver.

No delay or omission on the part of Declarant, the Association, or the Owners of other Lots in exercising any right, power or remedy herein provided in the event of any breach of the covenants, conditions or restrictions herein contained shall be construed as a waiver thereof or acquiescence therein; and no right of action shall accrue nor shall any action be brought or maintained by any one whatsoever against Declarant and no right of action except specific

performance shall accrue nor shall any other right of action be brought or maintained by anyone whatsoever against the Association on account of their failure to bring any action on account of any breach of these covenants, conditions or restrictions, or for imposing restrictions herein which may be unenforceable by Declarant or the Association.

14.6. Right of Enforcement.

Except as otherwise provided herein, any Owner, Association or Declarant shall have the right to enforce the provisions hereby against any portion of the Real Property and against the Owners thereof.

14.7. Violations and Nuisances.

The failure of any Owner of a Lot to comply with any provision hereof, or with any provision of the Project Documents, is hereby declared a nuisance and will give rise to a cause of action in Declarant, the Association or any Owner for recovery of damages or for negative or affirmative relief or both.

14.8. Violations of Law.

Any violation of any State, municipal or local law, ordinance or regulation pertaining to ownership, occupation or use of any portion of the Real Property is hereby declared to be a violation of this Declaration and subject to any and all enforcement procedures set forth in this Declaration.

14.9. Rights Cumulative.

Each remedy provided for herein is cumulative and not exclusive.

ARTICLE 15

ANNEXATION OF OTHER PROPERTY

15.1. Right of Declarant to Annex Other Properties.

Declarant reserves the right to annex any abutting, adjoining or contiguous real property into the Subdivision. Such annexation shall be accomplished by filing a Supplemental Declaration in the records of Canyon County, Idaho, describing the property to be annexed (the "Annexed Property") and specifically subjecting such property to the terms of this Declaration, as may be modified to reflect any special circumstances in connection with such annexed property. Such Supplemental Declaration shall not require the consent of voting members, but shall require the consent of the owner of such property, if other than Declarant; provided, however, that the addition of any Annexed Property must be consistent with the general purposes and intent of the Project Documents. Declarant is not obligated in any manner by this Declaration to annex additional real property to the Real Property or to annex any particular tract, or to annex tracts in any particular sequence, or to annex contiguous tracts any such annexation shall be effective upon the recording of such Supplemental Declaration.

In addition, each supplement for Annexed Property shall contain such Restrictions as are not inconsistent with the intent and purpose of this Declaration. Upon recording any supplement for Annexed Property, the provisions of this Declaration (except as modified, altered, limited or supplemented in the supplement) shall apply to such Annexed Property as if such Annexed Property had been part of the Real Property upon the effective date of this Declaration.

15.3. De-Annexation.

Declarant may delete all or a portion of the property described on Exhibit A and any Annexed Property from coverage of this Declaration and the jurisdiction of the Association, so long as Declarant is the owner of all such property being de-annexed, and provided that a notice of de-annexation is filed in the records of Canyon County, Idaho, describing the property to be de-annexed and specifically excepting such property from the terms of this Declaration.

15.4. Amendment.

This Article 15 shall not be amended without the prior consent of the Declarant so long as Declarant owns any portion of the Subdivision.

After the recordation of the first deed to a Lot, any amendment to this Declaration, other than to this Article 16, shall be by an instrument in writing signed by the president and secretary of the Association certifying that such amendment has been approved by the vote or written consent of seventy-five percent (75%) of the total voting power of the Association, and such amendment shall be effective upon its recordation in the records of Canyon County, Idaho. Easements herein granted and reserved shall not be amended except by instrument signed and acknowledged by all of the Owners of the property concerned, and by the Association. Any amendment of this Declaration approved in the manner specified above shall be binding on and effective as to all Owners and their respective properties notwithstanding that such Owners may not have voted for or consented to such amendment. Such amendments may add to and

increase the covenants, conditions, restrictions and easements applicable to the Real Property but shall not prohibit or unreasonably interfere with the allowed uses of such Owner's property which existed prior to the said amendment.

16.3. No Right of Reversion.

Nothing in this Declaration, or in any form of deed which may be used by Declarant, in selling the Subdivision, or any Lot or part thereof, shall be deemed to vest or reserve in Declarant or the Association any right of reversion or reentry for breach or violation of any one or more of the provisions hereof.

16.4. Rights of Mortgagees Relating to Maintenance.

At any time that any part of the Common Area, or any other part of the Subdivision, or any Structure, Residence, Lot, or other building or improvement located thereon is not in accordance with this Declaration or the Association's Bylaws or is not properly maintained and kept in good order and repair to the extent reasonably necessary to protect and preserve the appearance and value thereof and the appearance and value of the remainder of the Subdivision, then the record owner of any mortgage or trust deed upon any part of the Real Property or Residence or building thereon, upon giving written notice as hereinafter provided, shall be entitled to exercise the rights of the Owner-mortgagor of such property as a Member of the Association (to the exclusion of such Owner-Mortgagor) including the right to vote at all regular and special meetings of the Members of the Association for a period of one (1) year following the date of such notice. During said period of time mortgagees shall be given notice of all regular and special meetings of the Association, and the Owner-mortgagor shall receive such notice also and may attend such meeting as an observer. Said notice shall quote this paragraph and shall be sent by certified United States mail, return receipt requested, to the Owner-mortgagor, with a copy by regular mail to the Association at the last-known address of each.

16.6. Notices.

Unless otherwise provided herein, any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, prepaid, to the last address provided to the Association in writing by the person who appears as Member or Owner on the records of the Association at the time of such mailing.

16.10. Owners' Further Acknowledgements.
